MASTER HORROR WRITER ANNOUNCES FIRST ROMANCE NOVEL

Award-winning horror writer, Vlad Abrahams and Tripleweek Publishers have announced the upcoming release of his 33rd novel in August.

Known for novels like *The Three-Leaf Clover*, *The Two-Faced Man of Norwich*, and *The Occultist Who Did Not Like the French*, Abrahams has been striking fear into his fans for decades.

According to the author, the new book is different to his previous body of work in several ways.

'It's a romance novel this time. I thought, what happens if someone falls in love with a writer whose other career is a vampire hunter? What if you have a classic love triangle, but one of them is already dead?'

He announced the new, untitled book on his website on Monday.

The first signed copies of the book can be purchased from the 2nd of August 2022 when Mr Abrahams will host an online book release for the novel at 12:00 CAT on his website.
